COBRA CONTINUATION INFORMATION

If you'd like to continue your insurance after your employment ends, you can do so by electing COBRA.

COBRA election information will automatically be mailed to your home address shortly after your active coverage ends.

You'll have 60 days to decide if you want the coverage. If you do - just return the election notice, along with your first months premium, and your coverage will pick up retroactively back to your loss date.

You can choose to keep the same benefits you have while you're employed, which includes medical, dental, and vision coverage.
Or, you can choose to drop the dental portion of the plan and keep only the medical and vision coverage. Rates for both options are listed below.

You can stay on COBRA for 18 months.

Please remember to keep us updated of any address changes as your COBRA election notice will be mailed to the last address we have on file for you.
