

GTF PROPOSAL

**ARTICLE 22
TUITION WAIVER**

Section 1. GTFs appointed at .20 FTE and above are exempt from payment of the instruction fee **all tuition and fees, including fees for self-support course taken toward the completion of their degree**, for up to 16 credit hours taken in any quarter to which the appointment applies. With the permission of the University, a GTF may be permitted to exceed the quarter limitation on credit-hour enrollment. The current overload instruction fee will be assessed for such excess hours as set forth in the Oregon State System of Higher Education, "Academic Year Fee Book..." Instructional fee waivers will apply to the summer term under the conditions outlined in Article 18, Section 4.

~~Section 2. Effective in the Fall Quarter of 2010 and for the duration of this contract, university-wide mandatory student body fees for GTFs appointed at .20 FTE and above will be paid as follows:~~

University Responsibility	Energy surcharge, technology fee, building fee, health service fee, registration fee, Recreation Center fee, matriculation fee (for those GTFs whose first term as GTFs is the term in which they matriculate), any individual college/school resource fee, and the incidental fee minus \$140
GTF Responsibility	\$140 of the incidental fee

The University will notify the GTF four (4) weeks in advance of public hearings regarding changes to fees, including course fees, to facilitate GTF input to this process.

~~Section 3.~~ **Section 2.** With the exception of self-support courses, GTFs will be exempt from payment of tuition for classes offered at times when regularly scheduled classes during the academic year are not in session. Credit hours earned during such classes will not apply toward either the 16-credit maximum (Section 1) or the nine-credit minimum (Section 4).

~~Section 4~~ **Section 3.** In the administration of the above policy, GTFs shall be required, as a term or condition of employment, to enroll for and maintain a minimum of nine (9) graduate credit hours toward the degree throughout the term but shall not be required to exceed that minimum. Nothing in this contract will preclude an academic advisor from recommending additional hours as appropriate for the student's academic program.

~~Section 4a~~ **Section 3a.** Graduate students who do not require academic credit to satisfy program or degree requirements, or who find that the needed or required courses are not

offered in summer session, may be appointed to summer GTF positions. Those who receive such appointments are exempt from the graduate credit enrollment requirement.

~~Section 5~~ **Section 4.** Nothing in this Article shall be interpreted to restrict the Oregon State Board of Higher Education in any manner in the exercise of their statutory duty to establish instructional fees.
