

APPENDIX K
LETTER OF AGREEMENT
UNIVERSITY FACILITIES

The parties agree to work jointly to identify and address facility improvements that serve the provisions of Article 10, Section 1, "Health, Safety, and Work Environment." The steps to accomplish this are:

1. The GTFF will provide a prioritized list of proposed improvements by April 30, 2012, if possible, but no later than June 15, 2012.
2. The University will obtain an estimate of the costs of the improvements and respond to the GTFF within 45 days.
3. The University will contribute \$100,000 on a one-time basis to fund the improvements, using the GTFF's priority list in determining which improvements will be funded.

This Letter of Agreement will expire on December 31, 2012, with the understanding that the selected improvements will be either completed or underway (in the case of more involved or complicated projects).
