

## GTFF PROPOSAL

### APPENDIX H LETTER OF AGREEMENT FACILITIES AND SERVICES Health Insurance Contribution Rates

The University and the Union agree that it is important and useful to list the rates that both the University and individual GTFs contribute to the health insurance plan (see Article 23). Both parties acknowledge, however, that listing one static rate for a multi-year plan is not useful, as the amount that each party contributes toward the total cost of the health insurance plan will change over the life of this agreement. As such, both parties agree that the electronic version of this document shall change from year-to-year to reflect the most up-to-date information about the contributions to the health insurance plan.
