

GTFE PROPOSAL

ARTICLE 23 HEALTH INSURANCE

Section 1a. The University will make lump sum health insurance premium payments (excluding administrative costs as described in Section 5) to the GTFE Health and Welfare Trust (hereinafter referred to as the GTFE Trust) for the purchase of health insurance by the GTFE Trust.

The GTFE Trust, in conjunction with its insurance carrier, has determined that the University contribution will be distributed according to the schedule found in Appendix H. The first lump sum payment will be paid to the GTFE Trust on October 20, or on the closest business day, for all eligible GTFs enrolled in the health insurance plan. Subsequent payments will be made on or about January 20, April 20, and July 20 (or on the closest business days).

Payment for Summer -- All GTFs employed Spring Quarter who are continuing in their graduate program and who pay their portion of the premium by the end of the grace period for summer payments, and those GTFs employed in the Summer term who choose to enroll on the health plan, will receive University contributions according to the schedule found in Appendix H.

~~2010-11: The University will increase its payments as necessary for the 2010-11 plan year to cover 90% of premium cost increases up to 10% to maintain the current level of benefits. The University will pay the full cost of premium increases in excess of 10% to maintain current benefits levels. The GTFE will recommend to the GTFE trust that contribution increases for GTFs be accessed through increased contributions for summer coverage and/or contributions paid by GTFs for spouse/partner and/or child(ren) coverage. The GTFE agrees to recommend to the Trust that any balance in the Trust due to the University's overpayment of premiums in previous years be applied toward the University's contribution for 2010-11.~~

~~2011-2012: The University will increase its payments as necessary for the 2011-12 plan year to cover 90% of premium cost increases up to 10% to maintain the current level of benefits plus changes mandated by the national health care reform legislation. The GTFE will recommend to the GTFE trust that contribution increases for GTFs be accessed through increased contributions for summer coverage and/or contributions paid by GTFs for spouse/partner and/or child(ren) coverage.~~

The parties agree that preventative medicine covered at 100% and an increase to the vision benefit by \$100 shall be considered part of the usual cost of the health plan as of September 16, 2012.

The University will contribute 95% of the premium costs during the Fall, Winter, and Spring terms. GTFs shall contribute 5% of the quarterly premium for their selected enrollment type (i.e., individual GTF, GTF with children, GTF with partner, or GTF with family) as detailed in Appendix H.

The University will contribute 95% of the premium costs during the Summer term for all Summer term GTFs. GTFs shall contribute 5% of the quarterly premium for their selected enrollment type (i.e., individual GTF, GTF with children, GTF with partner, or GTF with family) as detailed in Appendix H.

The University will contribute 90% of the premium costs during the Summer term for all GTFs employed Spring Quarter who are continuing in their graduate program. GTFs employed Spring Quarter who are continuing in their graduate program shall contribute 10% of the quarterly premium for their selected enrollment type (i.e., individual GTF, GTF with children, GTF with partner, or GTF with family) as detailed in Appendix H.

Section 2. LOAN FUND and PAYROLL DEDUCTION. The University will allow GTF's the ability to borrow the difference between GTFF Health Plan insurance premium costs and the University's health insurance contribution for each year to pay for the remainder of each GTFs premium cost needs. All GTFs will be eligible for this loan, which will be repaid to the University by means of payroll deduction. If no payroll deduction is available, GTFs will be billed for repayment of outstanding loan balances. Failure to repay loans in a timely manner may result in termination of appointment, blocking of registration and/or disenrollment, late payment fees, and interest. GTFs must reapply for the health insurance loan at the beginning of a term in order to receive insurance coverage using the insurance loan fund and payroll deduction. A GTF must have an appointment in the term in which he/she applies for the loan. All insurance premium amounts loaned by the University to GTFs who have enrolled in the GTFF Health Plan will be included in the University's Fall term lump sum payment to the GTFF Trust.

Section 3. The GTFF Trust is solely responsible for the administration of any health care plan it offers. The GTFF will recommend to the Trust that the GTFF Trust Board of Trustees give voting rights to the member appointed by the University administration.

Section 4. The University will contribute ~~eighty-five thousand dollars (\$85,000)~~ **\$87,500** to cover the costs of health insurance administrative services incurred by the GTFF Trust, including students receiving coverage through COBRA and training grants, for each fiscal year through ~~2011-12~~ **2013-14**. This fee will be paid on September 16 or the closest business day.

Section 5. GTFs on nine-month appointments who were employed during the Spring term and who have accepted an appointment for the following Fall term shall, upon payment of the appropriate fee, retain access to the services of the Student Health Center during the Summer term.
