Joe,

On behalf of the 42,000 members of the Oregon Education Association, I want to express our support for the Graduate Teaching Fellows Federation in your struggle for a fair contract at the University of Oregon. Please let me know how OEA can help you and your members achieve a contract that truly reflects the value of the work that each of you do for the students of this great *public* university.

In Solidarity,

A handwritten signature in black ink that reads "Johanna B. Vaandering". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.
