

UO Proposal 4/5/19

Notes on Proposals:

Articles 19, 23, and 24 remain bundled with Article 22 as a single economic counter and the University reasserts the versions presented by the University on 1/18/19 as a package with Article 22 (4/5/19).

Article 25 (4/5/19) combines and includes Article 25, X3 (Respectful Workplace/Workplace Bullying), and Appendix D (Exposure to inappropriate behavior). The University is open to including Article 8 (Nondiscrimination) in this section as well.
