Alton Baker Park Picnic Shelter #1

Swing by Alton Baker Park Shelter #1 in your Halloween costume to grab any dried goods you may need or to drop off donations!

Since we are currently experiencing a significant spike in COVID cases here in Eugene, we politely ask that your Trick-or-Treat pit stop be brief, masked, and that you move away from the shelter should you choose to hang out in the park. Bring a cup for hot cider and coffee, and we will bring the hand sanitizer and disposable masks!
