What is this notice?

On November 30, 2020, the Honorable R. David Proctor of the U.S. District Court for the Northern District of Alabama granted preliminary approval of this class action Settlement. The Court directed the parties to send this notice. Blue Cross and/or Blue Shield's records show that you may be a Settlement Class Member. You may be eligible to receive a **payment** from the Settlement in the *In re: Blue Cross Blue Shield Antitrust Litigation MDL 2406*, N.D. Ala. Master File No. 2:13-cv-20000-RDP. 225A

What is the lawsuit about?

Plaintiffs claim that the Blue Cross Blue Shield Association and Settling Individual Blue Plans (collectively, "Settling Defendants") violated antitrust laws by entering into an agreement not to compete with each other and to limit competition among themselves in selling health insurance and administrative services for health insurance. Settling Defendants deny all claims. The Settling Defendants have asserted that their conduct results in lower healthcare costs and greater access to care for their customers. The Court has not decided who is right.

Who is affected?

You may be eligible to receive payment if you are an **Individual, Insured Group** (and their employees) or **Self-Funded Account** (and their employees) that purchased or were enrolled in a Blue Cross or Blue Shield health insurance or administrative services plan during one of the two Settlement Class Periods. Government accounts are excluded from the Class.

The Settlement Class Period for **Individuals** and **Insured Groups** is from February 7, 2008, through October 16, 2020. The Settlement Class Period for **Self-Funded Accounts** is from September 1, 2015 through October 16, 2020. Dependents, beneficiaries (including minors), and non-employees are **NOT** eligible to receive payment.

All **Individuals, Insured Groups**, and **Self-Funded Accounts** that purchased or were enrolled in a Blue Cross or Blue Shield health insurance or administrative services plan during the applicable Class Period will also benefit from the parts of the Settlement requiring Settling Defendants to change certain of their practices that were alleged to be anticompetitive. Dependents, beneficiaries (including minors), and non-employees will benefit from this part of the Settlement.
